Andrea

James

Kayla Hi, Mom and Dad!
I need some help fast!
I invited some friends
for dinner tonight, and I
don't know what to cook.

Andrea's a vegetarian,
so she doesn't eat
meat, fish, cheese,
or eggs. I guess she
just eats a lot of fruit
and vegetables,
and maybe rice.

Colin's on a diet.
He can't eat much
rice, bread, or pasta.
But he eats a lot of
meat, cheese, eggs,
and vegetables, like
carrots and cucumbers.

And James is picky –
I mean, he doesn't
eat many vegetables.
And he's allergic
to milk and shellfish.
But he likes potatoes.
Oh, and bananas.

Please call me! Bye.

Metni okuyun. Soruları yanıtlayın.

1. Where did the first Hard Rock Cafe open? _____
2. How many Hard Rock Cafes are there now? _____
3. How many rock 'n' roll souvenirs do they have? _____

Two Americans opened the first Hard Rock Cafe in London in 1971. They started the restaurant because they didn't like the hamburgers in England. They thought people would like American-style food, and they were right. The restaurant became very popular because it had good prices, friendly service, and a casual atmosphere.

Now, there are about 110 Hard Rock Cafes in 41 countries – from Hollywood to Kuala Lumpur. They all have the usual American foods (hamburgers, French fries, and milk shakes), loud rock 'n' roll music, and lots of teenage customers.

The first Hard Rock Cafe had a fun, American atmosphere, but it didn't always have a rock 'n' roll theme. Then one day, a famous musician named Eric Clapton gave the restaurant his guitar. They put the guitar on the wall. Then one week later, Pete Townshend – a musician for the band The Who – gave his guitar to the restaurant. So they put that on the wall, too.

Now, Hard Rock Cafes around the world have about 60,000 rock 'n' roll souvenirs. These souvenirs include guitars and other kinds of instruments, posters, costumes, and photos. And they always get new things.

After over 30 years, the restaurant is still popular with both tourists and famous celebrities. There are always crowds outside Hard Rock Cafes. People like to visit the different restaurants and buy T-shirts with the names of the different cities. And both famous rock stars and local musicians sometimes visit and give free concerts for the customers. The Hard Rock is still rockin'!
